Terms and Conditions

The Purchase of your Travel Booking offered by The Flight Shops, Inc. DBA GOGO Worldwide Vacations (“GOGO, we, us”) constitutes a contractual agreement between GOGO and the purchaser of the travel booking and the booked travelers and implies acceptance of these Terms and Conditions.

Travel information

This information is supplied to us by third party independent service providers, such as airlines, hotels and transportation suppliers (“Service Provider”). We have taken reasonable care to ensure it is correct and up to date; however we cannot check the accuracy of such information.

Many of the services which make up your travel booking are provided by the Service Provider. Those Service Providers provide these services in accordance with their own terms and conditions. Some of these terms and conditions may limit or exclude the Service Providers liability to you.

The details of the prices, packages, tours, flights and other information displayed in the brochure are subject to change without notice. The travel products and services described in the brochure are subject to availability.

It should be noted that all documents issued to travelers are non-transferable. Such documents may include but are not limited to, airline tickets, hotel vouchers, tour vouchers, or any other document used to confirm an arrangement with a Service Provider. Such documents may also be subject to conditions such as, but not limited to, being non-refundable, non-date changeable and subject to cancellation or amendment fees. It is your responsibility to familiarize yourself with these conditions.

Please review your itinerary on the confirmation email and/ or e-tickets to ensure that all of your travel information and documentation are correct.

Pricing

All prices advertised are shown in Canadian dollars. Prices may vary within date shown. All hotel prices are valid at time of printing and are priced per person based on two adults sharing a room (unless otherwise specified). Travel services may be subject to additional charges not shown; such as transportation tax, departure tax, hotel tax and hotel service charges, fuel/ currency surcharges and GST/HST. GOGO reserves the right to increase or decrease prices accordingly without prior notice. Prices are guaranteed only once a booking has been made and paid for in full.

Should the price increase by greater than 7%, you have the right to cancel the contract for travel services and or obtain a refund of all monies paid to GOGO, unless the price increase is as a result of government taxation or fuel surcharge allowed by the Canadian Transportation Agency. Every effort will be made to advise your travel agent of any price increase at least 15 days prior to your departure date. In the event of an error in published rates, the option will be provided on whether to accept the change to the correct price or cancel for a full refund of all monies received by GOGO.

Package prices for children (ages 2 to 11 unless otherwise specified) are based on a child sharing with two full-paying adults or with one adult who pays the single supplement (unless otherwise stated). Two children sharing a room on their own each pay full adult price except at hotels that offer child room rates.

Air navigation orders adopted by the Ministry of Transport allows infants under the age of two (at date of completion of travel) to travel free of charge (with the exception of applicable taxes, surcharges and fees), provided they do not occupy a seat on a flight reservation and no meal service is provided. Infant fares do not permit any baggage allowance. Should the infant turn two (2) years of age during the travel then a round trip child fare must be purchased prior to travel, unless otherwise specified by an airline. Infants under six (6) weeks of age may require a physician's certificate to travel.

Please note that additional airport fees and government taxes (other than sales tax) may not be included in your ticket price, these are frequently collected at destination).

Payments

The use of your credit card number to apply deposit and final payment indicates your acceptance of and compliance with these booking Terms & Conditions, whether or not you have actually signed the appropriate credit card slip. Verbal authorization for the use of a credit card confirms the reservation.

All monies received by us from you in respect of travel services are received by us as the Wholesaler of the Service Provider. If for any reason, any Service Provider is unable to provide the services for which you have contracted, your remedy lies against that Service Provider, and not against us. In the event we received payment by Credit Card, you agree that you will not seek to chargeback or recover your payment or any other losses from us. We do not represent that any travel products or services will be suitable for you. We rely on the information that is provided by the Service Providers to assist you to make an informed decision, but we cannot guarantee the accuracy in respect thereof.

Deposit Policy

All reservations require a non-refundable \$150 per person deposit. If the booking is for a vacation more than 45 days before departure, payment can be made in full at time of booking, or (if applicable) an initial deposit can be made and the remaining balance paid no less than 45 days before departure. The initial deposit will be charged to a credit card at time of booking.

Insurance

Many of the problems for which we cannot be held responsible for can be insured against. We highly recommend that you take out insurance to provide adequate cover for medical expenses, personal accident, loss of baggage and curtailment or cancellation of trip when traveling out-of-province. Individuals are responsible to finance on the spot medical treatment and other contingencies, and then

to reclaim this from insurance, if covered. You will be required to provide documentation to the insurance company to facilitate a claim. Please note that there are exclusions to coverage of insurance. It is your responsibility to be familiar with the insurance coverage purchased and ensure that the coverage meets your travel needs, as several Service Providers do require travel insurance for their travelers.

Visas & Passports

It is your responsibility to have a valid passport, visa and/ or other travel documentation. A passport is the only reliable and universally accepted travel and identification document. Using other documentation may result in delays or being denied boarding.

- You need a passport and a visa to enter many, if not all, foreign countries. The requirements and processing times for your visa will depend on what you intend to do while you are abroad: visit, study or work.
- Most, if not all, international countries require a passport with at least 6 months validity beyond the intended travel time.
- Any Visa advice provided to you is dependent on the accuracy of the information provided by you. Visa advice is current but can change prior to your intended travel.
- Please verify documentation requirements closer to your travel dates.
- Other documentation requirements, including visas, will vary depending on citizenship status.
- Check with local officials (embassy, consulate) to find out which documents are required and then make certain that you have the documents in hand at time of check-in.
- Failure to provide the required documents may result in being denied boarding privileges by the carrier or relevant authorities, without further recourse or the possibility of a refund.
- No refund or replacement is given for lost or stolen travel documents.
- Cruise passengers must present a valid passport, regardless of the entry requirements for their country of embarkation.
- To re-enter Canada, if you have no valid Canadian passport, you need to show PR card or CDN Visa.
- It is important to note that you may still be denied country entry even if the relevant documentation is provided. Please note that a traveler with known criminal history may be denied entry.
- We recommend that you inquire with the Consular Affairs Bureau for Canadians Abroad or review online the Essential Information for Canadian Travelers Guide at voyage.gc.ca to satisfy personal requirements.

Traveling with your Child or Another's

Whether traveling alone or accompanied by an adult, each child must travel with his own travel documents plus supporting documentation: i.e. birth certificate showing the names of both parents and/or legal documents pertaining to custody. Also the adults traveling with the minor children are strongly advised to hold a notarized letter of travel consent signed by the parent(s) or guardian(s) with legal custody. The letter must include the signor's address, phone details, authorization to travel, the

destination and length of stay. If a parent/guardian is divorced or deceased, custody document or death certificate is required.

For unaccompanied minors traveling please notify your travel agent and the airline of the person who is responsible for meeting the minor at destination.

Changes by You

Airfares purchases through GOGO Worldwide Vacations are subject to the rules and cancellations fees of the airlines. Regardless of when the booking was made, some airfares may become non-refundable once the tickets are issued. Terms and conditions governing the selected airfares are provided at the time of booking. Other services such as hotel and car rental are governed by the terms and conditions of their respective suppliers at the destination. You hereby agree to abide by the given terms and conditions when making a hotel or car rental reservation.

You will be responsible for any price increase on the travel products and services from the original booking date to the date of change. No price adjustments shall be made if the price for such travel products and services has decreased. If a change is made to the room occupancy, including but not limiting to the reduction or increase of guests per room, you will be responsible for any resulting increase in price. Name change request may be denied by the service provider as per their terms and conditions.

Cancellations by You

You may cancel your travel arrangements at any time. To cancel a travel booking, please contact your travel agent immediately. Cancellation penalties are calculated based on the date that GOGO receives written notice of the cancellation.

Refund for unused services, from any service provider, are also governed by the respective service providers and are strictly adhered to by GOGO Worldwide Vacations. We will not be held liable for any refund exceeding the amount as agreed between us and our service providers. In the event that certain conditions are cancelled, GOGO will have no responsibility beyond the refund of all monies received by GOGO for such cancelled services that will be deemed to constitute full and final settlement of any claim that you may have against GOGO for the cancellation.

Any part-used/return halves or unused flight tickets returned will be forwarded to the airline concerned for assessment. Should a refund be owed, GOGO will advise. Upon receipt of refund GOGO will in turn refund you the funds less any cancellation or administration charge. Please note that the refunds for partused/return halves of tickets are usually less than the pro-rata rate and may have no refund whatsoever.

Refunds will be processed to the Travel Agency in the same manner as the original payment. Tickets returned more than 6 months after the date of issue are classed as expired by the airline and generally have no refund value at all. Lost or stolen tickets may not be re-issued by some airlines and duplicate or replacement tickets may then have to be purchased locally at the current fare. Even if replacement

tickets are purchased, certain airlines will not issue refunds for lost/stolen tickets. A delay of up to 18 months is possible before airlines notify and authorize us to issue a refund. Tickets returned to GOGO should be sent by registered mail, in person, or by courier.

No refund is allowed for any portion of unused tour services, accommodations and car rental.

GOGO Worldwide Vacations reserves the right to charge a reasonable fee for its services in its capacity of travel wholesaler. Voluntary changes in your itinerary by you will result in additional fees and the difference in fare. GOGO's cancellation fee compensates GOGO for its damages arising from cancellation, including but not limited to pre-payment costs on the travel booking and other service and administrative costs involved in processing the cancellation. By facilitating a travel booking, the Travel Agent agrees that the cancellation fee is a genuine estimate of damages to GOGO of any cancellation and is in addition to any penalties charged by the service provider. GOGO may arrange for the resale of the same travel products that have been cancelled without full refund.

Cancellation Fees include:

- No cancellation fee charged by GOGO Worldwide Vacations Canada
- Applicable cancellation penalties by the Service Provider(s)
- Any fees and penalties do not include applicable GST/HST

Group Bookings

To facilitate group bookings, we will endeavour to forward any group booking discounts provided by the Service Provider to you on the condition that one person represents the clients when making the booking arrangements and payments. In this case, confirmation of the booking and payment will be sent to him/ her only. All payments for the booking are also to be made through him/her only.

Special Requests and Medical Problems

Should you have any special requests, you must advise us at the time of the booking and clearly note it on booking. We will endeavour to pass any reasonable requests to the Service Provider; however, we regret that we cannot guarantee that your special request will be fulfilled. Failure to meet any special request does not signify a breach of contract on our part. We also regret that we cannot accept conditional bookings, ones that are specified to be conditional on the special request or fulfillment. All such bookings will be considered a "regular" booking with a provision of the possible accommodation of the special request.

Should you or any other persons of your party traveling have a medical problem or disability which may affect your choice and pleasure of holiday, please inform us prior to confirming your booking so that we can advise to the suitability of the chosen arrangements. In such an event, please provide us with the opportunity to assist you to ensure that your travel experience is not limiting by providing us full details of your medical problem or disability in writing. We are within our rights to cancel a booking if we deem the travel plans reasonably inappropriate for the traveler with a health problem or disability that hinders them from undertaking the trip or if we are made aware after the time of booking of details that were not provided at the time of booking. The company will not be responsible for expenses resulting in such person being precluded from completing their travel for any reason, nor will we be able to refund you any part of your costs of travel. In all cases we will advise you of the situation and the reasons why

Tickets and Timings

You must check your itinerary on each stage of the completion of the booking to ensure that you have the correct flight times. It is possible and that flight times will change even after tickets have been issued and you will be advised of such prior to departure provided your personal information is correct and up to date.

Check-in Opening and Closing Times

We recommend online check-in, available with most airlines at least twelve (12) hours prior to departure and for most cruises at least seventy two (72) hours prior. Due to enhanced security measures at all airports, most airline check in counters close 1 hour prior to the scheduled time of departure. Please check with your airlines directly. Air transportation complaints are solely the responsibility of the airline concerned. As our client, we reasonably expect that you will respect and be considerate for other people while traveling. If you or any member of your party behaves in such a way that is deemed to be dangerous, upsetting, or distressful to a third party or damage to property, we or the Service Provider may terminate your travel plans of the person(s) concerned, without prior notice. Disputes

It is strongly recommended that you communicate any complaint to the supplier of the services in question as well as to our representative without delay and complete a report from whilst traveling.

If you fail to follow this simple procedure whilst at your report this will deprive us of the opportunity to investigate fully, mitigate and rectify the matter to your satisfaction and may affect your rights under this contract and result in your ability to claim compensation being extinguished or at least reduced.

It is unreasonable to take no action while traveling but then write a letter of complaint upon return. Regardless, we will endeavor to address a complaint that has been forwarded to the account manager within 28 days of completion of travel.

It is possible that flight times, accommodations, and or other travel services booked may change even after the booking is completed and full payment is received. Please ensure that we have your current contact information so that we can notify you of such changes.

Many of the services that make up your travel plans are provided by independent suppliers (“Service Providers”). These Service Providers have their own terms and conditions on your booking.
